BOURN[®]
COMPANIES

Senior Project Manager

Drive projects – Drive value creation – for our projects and ultimately for yourself

As a Senior Project Manager at Bourn Companies, you will take responsibility for planning and driving all project management activities for assigned projects. Build a deep skill set within the project management function while integrating with other key functions including leasing & deal making, marketing, finance & accounting, real estate law and capital markets.

Across more than 30 years and 5 million sq ft of work, **Bourn Companies** has pushed the boundaries of traditional real estate development. We lead projects that make a difference, supporting and defining communities and inspiring a sense of place that deepens over time.

With an average size of over 1 million sq ft, our projects have scale, sophistication, and complexity that will push you to reach the pinnacle of your field. In addition to mastering your skills in this field, our cross functional, open environment provides a logical and direct path to other unique opportunities such as becoming a large-scale developer.

Your Team

This team is fully responsible for the planning, entitlement, design and construction of our projects. These projects vary in size and complexity, but are typically large land parcels that require significant due diligence, planning, subdivision, and infrastructure. The Project Management Team is also responsible for the development of the landlord owned buildings across the site while coordinating with construction teams for non-owned developments.

The Role

Overall responsibility for planning, entitlements, design and construction (the 4 essential elements of project management) as outlined below:

- **Technical Performance:** Responsibility for all technical project management activities across entire multi-parcel and building projects.
 - **Product Expertise:** Become a product expert around key products that we produce including retail, restaurants, entertainment, office, multi-family residential, single family residential, industrial, and hospitality.
 - **Industry Expertise:** Provide relevant industry data, trends and viewpoints that impact the current and future success of our projects.
